Maz Evans Author Visit (23rd June 2026)

Dear Parents and Carers,

We are incredibly excited to announce that Maz Evans, one of the UK's most loved and energetic children's authors, will be visiting our school. Maz is the brilliant mind behind the *Who Let the Gods Out?* series, *Vi Spy*, and many other hilarious, fast-paced adventures that have hooked readers across the country. Her author events are known for being funny, inspiring and full of creative spark, the kind of experience children remember for years.

This visit is a fantastic opportunity for our pupils to meet a real author, hear about her writing journey, and feel inspired to read, imagine and create their own stories.

Children are very welcome to bring any book they would like Maz to sign, it does not need to be one of hers. Please ensure their name is written inside the front cover so it can be returned safely.

We are thrilled to be welcoming Maz and know the children will have an unforgettable morning.

Kind Regards,

Mrs Turnell
