Learn Alongside – Maths

Dear Parents and Guardians,

We are excited to invite you to our first 'Learn Alongside' event of the new calendar year. This special occasion provides you with the opportunity to work alongside your child in their classroom, giving you a firsthand experience of their learning environment.

Event Details:

Date: Thursday 30th January 2025

Time: 11:00 AM - 12:00 PM

Subject: Mathematics

During this hour-long session, you will participate in a mathematics lesson with your child, engaging in the same activities and discussions they experience daily. This is a wonderful chance to see how your child learns and interacts in the classroom setting.

Important Information:

Arrival: Please arrive at the main office a few minutes before 11:00 AM. You will be directed to your child's classroom from there.

Departure: The session will end promptly at 12:00 PM. We kindly ask that you exit through the main office to allow teachers time to prepare students for lunch.

Sign-up: To help us prepare, please confirm your attendance by signing up via the Arbor Parent Portal.

We believe that parental involvement is crucial to a child's educational journey, and we're thrilled to offer this opportunity for you to be directly involved in your child's learning experience.

If you have any questions or need additional information, please don't hesitate to contact us.

We look forward to seeing you at our 'Learn Alongside' event!

Yours sincerely,

G Bailey
