Canals and River Trust Trip

Dear Parents and Guardians of Year 5 and 6 Students,

We are excited to announce an upcoming educational visit for our Year 5 and 6 students to the Canals and River Trust. This trip will provide a wonderful opportunity for the children to learn about our local waterways, their history, and their importance to our community.

The details of the trip are as follows:

Dates:

Potter Class: Monday, 7th October

Dickens Class: Tuesday, 8th October

Time: During regular school hours

Activities:

- An educational boat trip along the canal
- Interactive sessions with the Canals and River Trust Explorers team

Important: Can the children in Potter Class only please come to school on Monday morning at 8.30am so they can have their school photographs taken before they leave for their trip?

Pick up times will remain the same. Students should wear their school uniform and bring a packed lunch, water bottle, and weather-appropriate outerwear. If you are eligible for free school meals, a packed lunch will be provided for your child.

There is no additional cost for this trip, as it is covered by the school's educational visits budget.

Please ensure that your child's medical information and emergency contacts are up to date with the school office. If your child requires any medication, please inform their class teacher before the trip.

We believe this will be an engaging and informative experience for our students. If you have any questions or concerns, please don't hesitate to contact your child's class teacher.

Yours sincerely,

G Bailey
